**HD 20-09** Application for a Certificate of Compliance for the replacement of the fence on the property addressed as 300 North Arizona Street, Silver City, NM. The applicant is the contractor, Alan Murillo. Mr. Murillo stated that they will be removing the existing fence and replacing it with a wall to match the one across the street. The corrugated metal will have a patina so that it will look older. He has already spoken to Peter Pena and the sidewalk is completed so that they can build the wall on the property line.

Suzanne asked if the block will be stuccoed. Mr. Murillo said that it will be. Suzanne also stated that she is happy that it will have a patina.

Suzanne moved to approve the project as submitted. Jaime seconded and the motion passed by unanimous voice vote of 4/0.
