Silver City MainStreet Project has served Silver City since 1985. MainStreet is affiliated with the National Main Street Center through the National Trust for Historic Preservation, and the New Mexico MainStreet program through the New Mexico Economic Development Department. Silver City MainStreet is a nonprofit 501.c.3 organization and our mission is: To encourage a vibrant, historic downtown Silver City that is recognized as the heart of our diverse community.

Activities: Ongoing activities will continue in the following areas:

Historic Preservation and Design Projects
Silco Theater: MainStreet will continue acting as the landlord for the theater and is responsible for any additional repairs that need to be made to the building. Silver City MainStreet will continue the planter box program in collaboration with the Community Youth Building Project. MainStreet will continue to manage the Adopt-a-Median Program, and decorating downtown Silver City for the Christmas Holiday season. MainStreet is working with the Town of Silver City to implement improvements to the Big Ditch Park, Silver Strand (Stub Streets), Downtown Beautification and Way-finding Signage, all aspects of the Downtown Action Plan and the Big Ditch and Greenways Master Plan.

Economic Development and Promotion of Historic Downtown
Silver City MainStreet is working on business retention and expansion in the downtown commercial district. To accomplish this, we will continue with Merchant Mingles, the Downtown Guide and Map that is updated 2-3 times per year, the Downtown Gift Certificate program, WNMU Student Discounts, the Love Local promotion, Urban Challenge Fun Run, Shop Small, WNMU Bash, and the Lighted Christmas Parade. We will continue our annual downtown Vacancy Survey and will report the findings to the Town of Silver City. We will continue to promote downtown with the Stories from our Streets, Discover the Town that was Built to Last. We will continue to maintain a website with a downtown map and property list and continue to promote downtown on social media. We will continue to produce a bi-monthly newsletter that promotes downtown Silver City and educates the public on MainStreet and the work we do. We are to work on providing business classes for downtown merchants and a business relocation rack card.
Silver City Arts and Culture District
The ACD will continue to be incorporated into all of the MainStreet work. We continue to host a monthly Community Collaboration meeting to share information and best practices. We will write a monthly article for The Independent on the Creative Economy. In addition, we will review the Cultural Plan with community stakeholders and will coordinate, cooperate with, and bring together the various art and community groups to work together on event management, promotion and to work cooperatively with the marketing firm.

We will also pilot family programming to activate Kelly St and the Big Ditch Park with Family Fun Days and the Downtown Passport.

Murray Ryan Visitor Center Management

The Murray Ryan Visitor Center is a critical component of tourism in Grant County. It welcomes visitors to Silver City and gives orientation for the Town and surrounding area including the CDT. Many visitors rely on the visitor center for recommendations for restaurants, where to stay or camp, and what kind of shopping is available.

The Visitor Center (VC) helps visitors interact with our Town in a positive way and supports all local businesses. The VC is the face of Silver City and the visitors experience at the VC can make the difference of someone staying or traveling on from our area. A warm and welcoming interaction translates to a positive economic impact on our Town.

The VC is also a resource for residents to find out what events are going on and what new businesses have opened and about the general area as well.

Silver City MainStreet will:
- Provide high quality customer service to residents and visitors seven days a week except major holidays.
- Provide engaging interpretative displays that draw visitors to the downtown area, the community, and county.
- Provide weather information and calendar of event information.
- Engage community, museums and businesses to share information at the Visitor Center.

- Provide a resource stop for the CDT and encourage use of the Big Ditch Park and trail system.
- Manage the brochure rack program.
- Manage the Event sign at Swan and Hwy 180.
- Manage the leader board sign.

Cooperate with the marketing firm by providing reports and feedback from visitors and the visitor center staff as requested, make interpretive displays that echo the branding done by the marketing firm, and assist marketing firm as requested to have a uniform brand and to meet expectations of visitors that have come to Silver City due to their marketing.
